The last knife sharpener you will ever need...

The Value of AccuSharp® Products

Fortune Products Inc. focuses on one primary goal with the AccuSharp® line of products - making the most effective knife and blade sharpeners in the world. Our every effort is aimed toward creating products that provide the sharpest edge possible for your knives, tools, and equipment. Whether your sharpening needs range from the kitchen, workshop, yard, hunting, fishing or other outdoor sports, our sharpening products help you maintain the very best edge.

AccuSharp® Pull-Through Knife Sharpener

MADE IN THE USA with domestic & globally sourced parts

This commercial grade knife sharpener combines our diamond-honed tungsten carbide sharpening blades with fine ceramic rods. The heavy duty, ergonomically designed handle with the rubber over-molded grip provides a stable and comfortable platform for sharpening all your knives.

(334C)

AccuSharp®/ShearSharp® Combo

MADE IN THE USA

Sharpen just about anything in the house. This combo pack consists of the AccuSharp® Knife & Tool Sharpener & ShearSharp® Scissor Sharpener.

(012C)

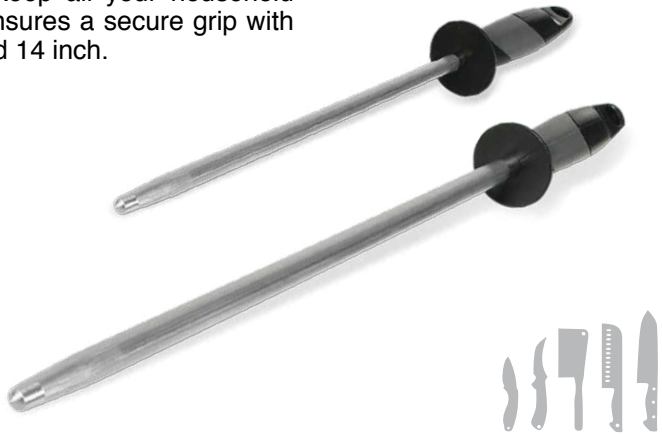
GardenSharp® Tool Sharpener

The GardenSharp® Tool Sharpener is designed to sharpen all those single-edged and hard to sharpen items in your tool shed like lawn mower blades, pruning shears (secateurs), limb loppers, hoes, shovels, and scythes. Florists, landscapers, and gardeners of all kinds need the GardenSharp® Tool Sharpener.

(006C)

AccuSharp® Sharpening Steel

Fast-sharpening and long-lasting Sharpening Steel will keep all your household knives properly honed. The rubber over-molded handle ensures a secure grip with the collar guard for additional safety. Available in 9 inch and 14 inch.



(032C) (033C)

AccuSharp® Diamond Paddle Sharpener

This double-sided sharpener features an aggressive coarse diamond grit surface, a fine diamond surface for honing and finishing, and also includes a groove for sharpening hooks and darts. The folding handle allows you to fold and store your sharpener with ease.

(051C)

AccuSharp® Diamond Pocket Stone

The dual-sided pocket sharpening stone features both a coarse 320-grit and a fine 800-grit diamond surface and also includes a groove for sharpening hooks and darts.

(027C-B)

AccuSharp® Diamond Compact Sharpener

The AccuSharp® diamond-coated compact sharpener is a tapered, cone-shaped rod engineered to use on serrations and tight spaces, as well as blades and tool edges. This sharpener also features a groove for sharpening hooks and darts.

(050C-B)

AccuSharp® 4-in-1 Knife Sharpener

MADE IN THE USA
with domestic & globally sourced parts

This sharpener features diamond-honed tungsten carbide sharpening blades, fine ceramic rods, a retractable tapered diamond rod, and a flat diamond file, all in one pocket sized unit.

(029C-B)

AccuSharp® Diamond Rod Sharpener

The AccuSharp® Diamond Rod Sharpener is a diamond-coated steel rod used to sharpen all kinds of knives, including serrated edges. The retractable rod is engineered with a cone-shaped end for serrations and tight spaces and features a groove for sharpening hooks and darts.

(030C-B)

AccuSharp® Arkansas Whetstone Combination Knife Sharpening Kit

MADE IN THE USA

The AccuSharp® Whetstone Combination Knife Sharpening Kit includes two 3" sharpening stones for traditional coarse and fine sharpening, plus a 1 oz. bottle of honing oil in an organized kit.

(023C)

AccuSharp® 3-Stone Precision Knife Sharpening Kit

The AccuSharp® 3-Stone Kit is equipped with six angle guides and three sharpening options to keep your knife's edge razor sharp with fine, medium, and coarse alumina-oxide stones. Angle guide has settings for 11°, 15°, 18°, 21°, 25°, and 30° angles.

(060C)

AccuSharp® Honing Oil

MADE IN THE USA

AccuSharp® Honing Oil is ideal for all traditional natural stone sharpening. Honing oil protects the stones from clogging and provides smooth sharpening.

(026C)

AccuSharp® Natural Arkansas Pocket Stone

MADE IN THE USA

The AccuSharp® Natural Arkansas Pocket Stone offers traditional sharpening for all kinds of straight-bladed knives & hooks. The aggressive cutting feature can sharpen all types of steel.

(024C)

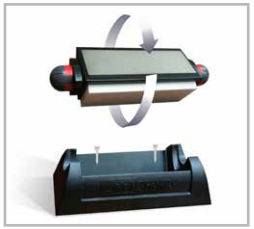
AccuSharp® 5-Stone Precision Knife Sharpening Kit

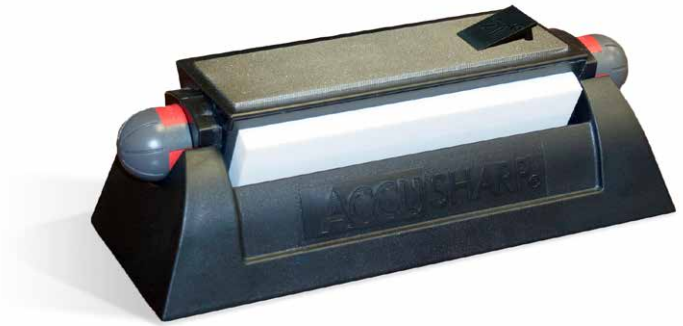
The AccuSharp® 5-Stone kit is equipped with six angle guides and five sharpening options to keep your knife's edge razor sharp. The 5-Stone kit includes fine, medium, and coarse alumina-oxide stones, extra coarse diamond-coated stone (with a groove for hook sharpening), and fine ceramic stone for serrated blades. Angle guide has settings at 11°, 15°, 18°, 21°, 25°, and 30° to sharpen a wide variety of knives.

(059C)

AccuSharp® Tri-Stone Sharpening System

This rotating, three-stone system is equipped with coarse diamond, medium alumina-oxide, and fine ceramic stones and an angle guide to assist in maintaining a consistent angle. The base features slip resistant feet, but can also be attached to a work surface if preferred.





(025C)

The Value of AccuSharp® Products

For our Professional Series, we added eye-appealing exterior features—brushed aluminum and matte finished frames—to our patented, award-winning, AccuSharp® knife and tool sharpening products.
